Incorporated by the Cherry Gardens Community Association Inc.

EDITORIAL

So by the time you read this, Christmas for 2014 is probably over, and you will be thinking of what your New Year's resolutions will be or surmising over why you have already broken them! For me, and nearly everyone I have spoken to, 2014 has gone before I even realised it had begun. I don't know whether it is because I am getting older or busier but each day, week and month just seem to fly by these days. It only seems like a few weeks ago I was looking forward to the winter solstice so the days would start getting longer and now summer is here.

The Cherry Chatter Christmas BBQ at the Rec Ground was a great opportunity to catch up with friends and make new acquaintances. If you have never been to one then put it in your 2015 calendar for the first Sunday in December. Around 140 people turned up, had a ride on Clancy the train (thanks to the Buckles), had a good feed and drink (thanks to the CFS and Cherry Chatter team), played on the oval, Santa arrived on the CFS truck and the kids had a great time. Thanks to everyone for helping out and for turning up and having a good time.

The second half of this year has been a lot dryer and those of us that like to keep our gardens happy will have been watering a lot in the last few months. I used to gauge the season by how soon before Christmas I had to water the lawns but this year I have had to water since the middle of Spring, which is unheard of in Cherry Gardens. As the Garden Club recommends I suggest you mulch the garden as it could be a long hot summer.

Are you Bushfire Ready? There have already been a few fires around the State and people are predicting a bad season (they nearly always say this) but you can-

not be too prepared. Please take heed of the warnings and clean up your place, trim the trees and HAVE A BUSHFIRE SURVIVAL PLAN. You can get a copy of the template from the CFS website. If the worst should happen and we have a bushfire come through Cherry you must be prepared. Will you stay and defend or go? There is no 'Safe Haven' in Cherry Gardens so if you make the decision not to stay then you need to leave the district early.

For the holiday period, be safe and have a good break (if you are on holiday). For 2015 if you would like to be involved with a motivated and very friendly group of Cherry Gardens locals then we would be happy to see you at one of our Cherry Chatter gatherings. We get together once a month, put the edition together, eat, drink and talk. It's a great way to meet other locals and keep engaged on what is happening in the community. Contact one of us to find out more.

The Cherry Chatter committee will be having a holiday over January so there will be no February edition.

So from all of us at Cherry Chatter, Seasons Greetings and Happy New Year!
Don

IRONBANK CHERRY GARDENS TENNIS CLUB

We are now just over halfway through the 2014/15 season and entering our Christmas/New Year break. Most of our Saturday teams are going alright and with a continuation of their current momentum in the New Year we will hopefully see them all playing in the finals. Our new junior young guns are still playing well in the under 10's mixed competition and are sitting in 3rd position. Our other teams competing this season are Boys Div1 (5th), Boys Div3 (4th), Girls Div3 (4th), Senior Doubles Div1 (3rd) & Senior Doubles Div3 (2nd).

In the New Year we will again be running our Junior Hot Shots Coaching Program for kids in the 5-10 year age

group who would like to have a try at playing tennis. This will start in the New Year coinciding with the beginning of the school term. For more information contact our junior co-ordinator Steve Williams 0432 182 527 or e-mail the club at ibcg@bigpond.com. If you're interested in seeing some really good tennis close to home, The City of Onkaparinga ATP Challenger 2015 will take place at the Happy Valley Tennis Club, Aberfoyle Park, from 3-11 January. This is a professional event on the Challenger Tour which will attract good young players from around the country and overseas. One big name to sign up already is former Australian Open finalist Marcos Baghdatis.

GARDEN CLUB

Meetings are held at the Uniting Church meeting room, 87 Hicks Hill Road Cherry Gardens at 7.30pm usually on the 2nd Monday of the month. Other excursions and garden visits occur on an ad-hoc basis.

Supper is provided and we have lucky door prizes.

Visitors are most welcome.

Contacts are:- Ray 8383-6011 or Shirley 0403 801 916

Linda Greenwood was our impromptu speaker on Monday 14th October introducing Hypertufa – creating ancient looking garden accessories by moulding a special mixture of peat moss and cement in any sort of container.

Some of her unique homemade Hypertufa pots and mini garden arrangements are on display for sale at the corner of Star and Arrow Road and Ackland Hill Road.

Chris Scrase from Weald View Fuchsia Nursery re-introduced us to the wonderful world of the Fuchsia on Monday 10th November, demonstrating both summer and end of season pruning on several different trailing and upright Fuchsia plants. Most of us were aghast at her amazingly drastic demonstration of how Fuchsias

should be pruned. Some of us agreed that ours probably suffer as a result of our tentative pruning. We learned the very important light/shade, nutritional (controlled release and less nitrogen to discourage soft growth), and moisture (deep – less often) requirements of various types of Fuchsias and how hardy and tough they can be when treated correctly. Pest and disease issues were dealt with too.

Great bargains and some very unusual plants turned up during the plant auction.

PROGRAM 2015

Feb. 9th - Jon Lamb will be our Guest and his topic will be 'Adjusting your gardening for a changing climate'.

Our TOMATO CHALLENGE is on this night - so bring along your best tomatoes.

Mar. 16th - Merilyn Kuchel will talk on 'designing and planting a Mediterranean garden'.

George's Gardening Suggestions

This month watering is VERY important. Don't wait until plants are stressed before you water. Replenish mulch if it is thinning in places. Water under the mulch if possible. Still water if we have rain (unless we are lucky enough to have a downpour) Try to
