

C H E R R Y C H A T T E R

Hi! Welcome to the first "full" Cherry Chatter. As mentioned in the first Cherry Chatter we are a group of interested residents - Don Watton (Chairperson), Gill Sims (Treasurer), Bev Watton (Secretary), Jenni Edwards (Advertising), Rob Walker (Editorial) Til Meister (Legal Adviser), Pam Schubert, Tony Kent and others who have assisted in many ways.

It is gratifying to see so many people and organisations wanting to make use of our local newsletter. If you are involved with - or know of - any other local clubs who have not been contacted, please let me know - the service is free (and both "service" and "free" are rare commodities these days!).

Thanks to all the people who helped to organise or attended the Trivia Night at the Hall. I had a great time anyway! Gramolas, Schuberts and Arnolds all commented to me that neighbours only seem to get to have a good yarn at community events like these; so that in itself is a good reason to have them. At least we know who our neighbours are, unlike some "plains dwellers"!

It convinced me again that this would have to be the best place in the world to live - not that I'm biased.

ROB WALKER

P.S. Do you have a friend/neighbour who does not receive Cherry Chatter because they do not have a letterbox? Please let me know and we will leave two at your place.

CHERRY GARDENS RAINFALL REPORT FOR APRIL, 1992

Rainfall for April, 1992	75.8 mm
Rainfall for April, 1991	52.4 mm
Average Rainfall for April	75.2 mm
Rainfall to the end April, 1992	202.6 mm
Rainfall to the end April, 1991	94.0 mm
Average Rainfall to the end of April	173.2 mm

CHERRY GARDENS METEOROLOGIST - MAX RICKS

With the number of for sale signs on houses around Cherry Gardens there is quite a number of people moving out of our area, and also a few people moving in. To those who are moving on, we wish you the very best for the future, and to those moving in, welcome, we hope you enjoy being part of Cherry Gardens, please come and introduce yourself at the local functions and feel most welcome as part of our community.

THE HOT SPOT - CFS NEWS

It is almost history now - remember last summer? Thankfully for the CFS it was a cool and quiet one, with no fires in our immediate district, although the Cherry Brigade did assist with fires in neighbouring districts - one at Archery Park, Piggott Range Road, another at Toop's Hill and ground support aircrew at Flinders Chase (K.I.). Since the wet weather began we have also been called out to several traffic accidents.

Socially, the CFS remains active with a TRASH'n TREASURE at the Hall on the 19th September and a MEDIEVAL FEAST NIGHT to be held on 31st October, 1992 in conjunction with the Hall Committee. So break out your calico, cambric and sack-cloth all you yeomen and wenches for a merrie eve. If you would like to support the Cherry Gardens CFS, but do not have time - here is a practical idea:-

KEEP WARM AND SUPPORT YOUR LOCAL COMMUNITY
BY BUYING A CHERRY GARDENS CFS WINDCHEATER

* FEATURING CHERRY GARDENS CFS LOGO

* EASYCARE POLY/COTTON

Child Size 1 - 6 (\$15.00) Adult Size 12 - 18 (\$22.00)
8 - 14 (\$18.00) 20 - 26 (\$26.00)

ALSO FOR ICE-BERGERS (OR NEXT SUMMER)

T-SHIRTS (\$10.00, \$12.00, \$15.00)

AVAILABLE FROM JENNI EDWARDS Ph: 370 5788

During the week 29th June to 4th July the Cherry Gardens CFS Social Club is holding its main fund raiser. We are selling Bingo Tickets at the Castle Plaza Shopping Centre and need your help. If you can spare some time to help sell tickets please contact either Rob Ricks on 270 2139 or Jenni Edwards on 370 5788

We thank you for your support.

HALL NEWS

Welcome back to the Newsletter.

The social calendar for the Hall has commenced for 1992 - see separate article on our recent very successful Trivia Night.

Other dates to mark on your calendar are the Trash & Treasure on 19th September. So clean up now and have a stall. Next is the Dinner/Theme Night on 31st October. More details later.

Those who were at the Trivia Night would have seen the ceiling fans in the Hall. With the Gas Heaters & fans there is no reason for anyone to be cold at the functions from now on. Both of these assets were paid from monies raised last year and the Committee is most appreciative of all the support we received last year.

Thanks is extended to those who came and worked so well at the working bee. With walls cleaned windows cleaned and the store

room neat and tidy so you can walk through it. The Hall looks ready for a new lease of life. The Committee has always kept the Hall neat and tidy but a good old working bee gives everything that extra sparkle. Thanks everyone.

CHRISTMAS DINNER

The next night of entertainment at the Hall is the annual mid-year Christmas Dinner to be held on the 27th June, 1992. A traditional Christmas meal will be served and all tickets will be pre-sold at \$16.00 per head. Tickets available from Bev Watton ph: 388 2381, Rachel Brumby ph: 270 2153 and any other Hall committee members.

The dinner will be licensed and numbers are limited so get your tickets early.

The Hall Committee wish to acknowledge and thank the local and almost local businesses who kindly donated prizes for the recent Trivia Night:-

COLLECTIONS BOUTIQUE, Blackwood
SPICK AND COLES CHEMIST, Blackwood
SKINNERS GARDENS CENTRE, Blackwood
THE BEEFOLOGIST, Blackwood
FAIRLEY'S SHOE STORE, Blackwood
JOHNSONS' MENSLAND, Blackwood
THE BLACKWOOD GREENGROCER, Magnet Shopping Centre
BLACKWOOD SOUND CENTRE
BLACKWOOD BUTCHERS
MY GOODNESS HEALTH STORE
JOHN GRANT, BP Oaks, Blackwood
FLEET STREET, Magnet Shopping Centre
MAGNET FRUIT MARKET
WOOLWORTHS
SUZIES HAIR STUDIO
EMPLOYEES OF CUNNINGHAM'S, Glenelg
RHEEM
BLACKWOOD HOUSE OF HAIR FASHION
STORYTELLER BOOKSHOP
MARSLAND'S MITRE 10
CORO VALLEY MEATS
COFFEE INN
PROTEA GARDENS
LADD'S SPORTS STORE
BELAIR CELLARS
EDDY JACOBS
AND A NUMBER OF ANONYMOUS LOCALS WHO MADE DONATIONS

Thanks to all of you for a great Trivia Night. We urge all Cherry Gardens residents to support these businesses who have supported us.

FOOTBALL

The Thunderers Football Club has had a mediocre start to the 92 Season, although numbers at training have been pleasing, but the amount of injuries is taking its toll on senior football. The U/12's have begun their season in fine form with 2 wins from 2 games. The U/17's which is a first for the club after many lads were too old for U/14's (which was a first last year and played off in the Grand Final) are not having a good start losing all their games so far. The B Grade have started well winning 3 out of the 5 games beating some of the better sides. The A Grade has only won 1 game although narrowly losing a couple of games. The next home games for Thunderers are on the 23rd May and 20th June.

NETBALL

The Netball has started for the 1992 Winter Season. At the A.G.M. at the beginning of the year it looked as though we would be able to field three seniors unfortunately by the time the matches were due to start we had to withdraw one team. This left the club with A2 and B1 Grades. The competition will be rather competitive but I think both teams will be quite capable of holding their own. If you wish to come and support either of the teams please ring Janet Brumby (Sec.) on 270 3126. The first half of the year A2 play at 3.00 p.m. and B1 play at 1.30 p.m., they then change over half way through the year. One of these years we may be able to field junior teams, but they prefer to play for the Schools and with their friends. Prior to matches starting it looked as if we would have trouble finding an "A" Grade Umpire but luckily a girl from Blackwood is willing to umpire all season. Unfortunately this a most thankless job as anyone who has umpired would know and those who do put the whistle where their mouth is are greatly appreciated. Once the season has progressed further we will advise you of their game wins and premiership positions. Good luck girls and thanks to those umpiring.

IRON BANK CHERRY GARDENS TENNIS CLUB

The IBCG Tennis Club had a pleasing 1991/1992 season with both teams reaching the Grand Final, but unfortunately were defeated.

Our traditional Div. 6 team did not lose a match in the minor round, but could not match their competition in the Grand Final. Grand Final team consisted of Toby Dobson, Steve Vink, Gary Fielke, Joshua Phillips and Yvonne Vagg, Louise Goldsworthy, Alison Haggart and Kerry Edmonds.

Our Div. 4 mixed doubles team won the majority of their minor round games, but lost against the stronger Onkaparinga side. Grand Final players were Graham Bate, David Moulden, Rob Coat, Geoff McCann and Jane Mitchell, Karen McCann, Di Morgan and Karen Morgan.

Our most consistent players for the 1991/1992 season were traditional Toby Dobson and Louise Goldsworthy and doubles Graham Bate and Karen McCann.

Our Club wishes to improve its fortunes of last season and is seeking to recruit tennis players for teams in the higher Divisions of the Hills Tennis League.

Could those interested in joining our Club please contact Di Morgan on 278 7988.

"I thank your Community Association for giving me this opportunity to introduce myself through the Community Newsletter.

My name is John GRAETZ and I have been stationed at the Clarendon Police Station since October, 1991. My area of responsibility takes in part of Cherry Gardens as well as the Clarendon, Kangarilla, Kuitpo and Prospect Hill areas. My boundary stops at the junction of Cherry Gardens Road, Ironbank Road and Ackland Hill Road. All areas to the south of this junction towards Clarendon is my responsibility. Ackland Hill Road is covered by Darlington Patrols and Ironbank by Stirling Patrols.

I live at the Clarendon Police Station residence, alongside the Police Station and am available 24 hours per day, if required. If I am not at home, or away from the area, the telephone will be diverted to the Darlington Police Station and they will be able to assist. I am the only Officer stationed at Clarendon and cover both patrol duties as well as station work. Please bear with me if I am not around when you ring or call in. If you need to attend the Station for business it is preferable to ring first and this may save you a trip for nothing. Blackwood Police Station is also available to you, Monday to Friday, during the day.

To date, I have not had a lot of Police work in the Cherry Gardens area. You may think that a lot happens in your area, but I have not been informed. You are my eyes and ears in the Cherry Gardens area, so if you see or hear anything you feel I should know, please don't hesitate to call and let me know. If you see a suspicious vehicle or person hanging around your house or the neighbours, try to get a registration number of any vehicle and let me know. Remember to always lock-up and to look-out as you move around your area and together we will keep it the quite area it appears to be. Coromandel Valley receives plenty of attention from Criminals in relation to break-ins, and your area is just a short trip up the road.

I consider myself to be fairly approachable, so if you have any problems in relation to Police matters, give me a call. I will do my best to assist you. Thanks for listening."

J.M. GRAETZ S/C 2670/3
CLARENDON POLICE STATION

Thank you to all for your cards and good wishes for my 80th birthday also to those who attended my birthday luncheon in the Cherry Gardens Memorial Hall.

H.J. JACOBS

DISTRICT HISTORY WORD SEARCH

In 1838 three men Edward Burgess, Henry FI--- and --AA- Jacobs while searching for feed for stock east of Happy Valley found a locality which looked promising. These three men cut a quantity of what is now known as K-----OO grass for their stock then rested under a tree.

This tree was unusual as the fruit had the ST--- on the outside instead of inside the fruit and as there were a number of these trees around and they were similar in colour to the cherry they called the place Cherry ----EN-.

Edward Burgess never lived in Cherry Gardens however later lived in -----DON. He arrived in South Australia aboard the -ORO----- in 1837 and a neighbouring suburb was named after this ship. Mr. Jacobs and his wife Elizabeth arrived in South Australia in 1837 from the Isle of W---T. They resided for some time on the banks of the river --RR--- and in 1838 South Australia's first white son was born to them.

The third man Henry formally of K--- England settled on what is now known as CH---- paddock and resided there for many years.

These early pioneers cleared their land and won a livelihood by means of W---- and --TAT-- growing. Following these early arrivals were the Broadbents who had arrived in South Australia on the ship --FF--- with Governor ---D---SH. A number of settlers soon followed these including Joseph Boothey, Joseph Middleton Mr. and Mrs. John CH-----S.

Mr. Chambers bred -OR--- on land locally known as The -U-. He found an export market in I-D-- for stock and was also an explorer in the Northern Territory. Early religious services were held at the home of Mr. Field until 1849 when a chapel was built by the Bible CHR----- and Wesleyan ----OD---S who had amalgamated. This building is still being regularly used for services and is the oldest Methodist Chapel south of Adelaide. The first Post Office listed at Cherry Gardens was in 1851 and the Postmasters name was Mr. John WH--E.

Up until 1882 the grounds of the Chapel yard were used as the local ---ETE-- and the last to be buried there was Isaac -AC--- in 1894 one of the district founders. In 1882 the present cemetery was opened and the first burials were Mr. and Mrs. M---ERE-- of Scotts Creek.

Education of the children was done at a -RI---- school in the early days until the first government school was built. Its construction was of pug and then roofed with ----W. A F-----LY society the "Morning Star" Tent No. 6, Independent order of Rechabites was established in 1861. The early meetings were held in private residences until in 1894 the --CHA----- Hall was erected.

The ----ATI-- Army established an outpost at Cherry Gardens towards the end of the last century. In 1906 a Hall was built where they held their meetings. The Great War of 1914-18 took its toll on the district with many enlisted men losing their

lives. As a tribute to their memory a --LDI--- Memorial Park was established in 1923, a Golden -----SS tree was planted for each man lost. A ---SS of Remembrance was erected in 1935.

Solutions can be found in the table below.

The Cherry Gardens Church on Hicks Hill Road as well as being the
only Church in Cherry Gardens, is the oldest Uniting Church
building south of Adelaide, having been there since 1849.

Services are held there at 10.30 a.m. each Sunday and visitors
and newcomers are always welcome.

It is intended to recommence Sunday School in the near future,
at the same time as services. Any parents interested on behalf
of their child/children are invited to contact Rob or Jane Linn
(388 2138) Doug or Mavis Schultz (388 2331) or Ray or Avis Dunn
(270 2175).

Thank you to those involved in putting on the "Trivia Night" and
to the sponsors, that made the night possible, also a hearty
thank you. Congratulations on your effort as it was allround a
very enjoyable evening. Rob Walker was anything but trivial as
he lead us through a night of music and laughs, and facts, that
covered every subject known to man, although we did not know the
answers, just answering was half the fun. So thank you again for
a job well done.

BOB RICKS

A few weeks ago a Coro valley fellow, found he and his car upside
down and in a tree, while trying to negotiate our roads. The CFS
attended the incident and fortunately no-one was hurt, however,
it just goes to remind us all of how treacherous our roads are
and with winter with us now, even more so. For all our sakes
check your tyres and keep your speed down and please arrive home
safely

A word from your local CFS.

R.I.D.E.R.

Riding for Individuals with Disabilities for Enjoyment and Recreation.

We would like to thank the people of Coromandel East and Cherry Gardens who supported us with donations of goods towards our Trash and Treasure fundraiser which raised funds to developing facilities for our new venue now located in Coromandel East.

For further information regarding our groups activities please contact Ann Gear on 388 2515 or Cindy Rushton on 270 5024.

Alarm Clock why did you ring and wake me with your clanger. You took from me the girl in my dreams. So I'll take to you with a hammer!

HORSE CARE HINTS

- * to produce a good shine on rubber boots, use a little furniture polish from an aerosol
- * to give a more professional touch to your rugs, add your initials to the nearside corner. Either buy the letters individually (from saddlers, needlework or craft shops) or make your own by drawing a paper template, pinning it on to a square of felt, and cutting around it. You can then stitch it into position
- * use a piece of baler twine to hang up a penknife or a pair of scissors near to your supply of hay or straw, ready to cut open the bales
- * tie a knot in the end of your lead rope when leading your horse, so that it does not slip through your hands. Wear gloves too, so that if he tries to pull away you have a better grip and thus avoid burning the palms of your hands
- * remove bot fly eggs with a disposable plastic safety razor. This is far cheaper than buying a bot knife

FRIENDS OF SCOTT CREEK CONSERVATION PARK

Blackwood.

Wanted to buy/sell/exchange ads are also accepted. For a cost of
\$1.00 per item your ads will be placed in the next Newsletter.
Send all ads to Jenni Edwards.

CRAIGBURN FARM

Craigburn Farm, is it just another farm or is it something special?

Many drive past it never casting a thought as to why it's there or what is its future, it has been accepted as permanent open space.

Minda Inc. bought the farm in 1923 as an outreach from its Brighton facilities and has used it to help some of its clients develop certain farm and other skills.

In 1972 the Meadows (now Happy Valley) and Mitcham Council brought in regulations to allow housing on both sides of Sturt Creek. I moved a disallowance motion in Parliament at the time in an attempt to keep it open space. Over recent years most of the land on the southern side suitable for housing has been developed.

In 1985 the Minda Board sought to create a large amount of housing on the north side, the Government sought to stop it by using powers under the planning act. Minda countered this move by issuing a writ in the Supreme Court.

This forced the Government to retreat and set up a committee to report not later than October 1985, the report has never been made public but it appears it was completed in 1989 or 1990.

The Minister has now released a supplementary development plan (S.D.P.), which allows for up to 150 hectares, (350 acres) for development with allotment sizes down to smaller than a tennis court. The balance of the land, which includes most of the steep areas is planned to be open space. There is to be a Government payment towards the open space but we have not been told how much.

The Craigburn Farm is a magnificent property if bought by the people, i.e. the Government, by 6 instalments of approximately 4 Million Dollars over the next ten years, it will be a treasure that present and future generations could always enjoy.

Through different bad management deals, our state has lost over 3,000 Million Dollars, by committing ourselves to Craigburn at least we have a beautiful and valuable asset.

I encourage concerned citizens to rally at Hewitt Oval, Coromandel Parade at 12 noon on the 27th of June. More details published later, in the meantime view the project at the Blackwood Library and send letter of concern to the Minister of Environment and Premier Bannion with copies to your local member.

Whatever happens please do not criticise the magnificent work Minda does for our disabled, they have a right and in fact a responsibility to get full compensation for the property on behalf of their clients, our disabled.

Our beef has to be to convince the Government that this beautiful open space is too valuable to be destroyed so it must be bought for the people.
